Quality control engineer

Abo el matamir - Al bahira

Jan 2023-feb 2023

- Control the labor of the quality of packaging vegetables.
- Worked on packaging and sizing of potatoes.

Plant tissue culture in vitro cryopreservation

Aug 2022

Certified by: *national gene bank*

- Preparation of culture media.
- Preparation of plants and shoots culture.
- Preparation of shoot tips for cryopreservation.
- Cryopreservation of non-orthodox seeds.

International Computer Driving License (ICDL)

June 2021

Certified by: *Faculty of Computer and Artificial intelligence Benha University*

- Information Technology.
- Microsoft Office.
- Databases.
- Information and Communication.

ISO 22000

Dec 2021

Certified by: *food technology institute.*

DNA Isolation

May 2020

Certified by: *faculty of agriculture at benha university*

- Mechanism of human DNA isolation by the blood sample.
- Mechanism of plant DNA isolation by plant leaves.

Basics of landscape

March 2021

Certified by: *faculty of agriculture at benha university*

- Basic types of irrigation.
- Basics of types of landscape.
- Basic types of ornamental plants used in landscape.

Human medical analysis

June 2018

Certified by advanced academy and Zewail city

- Mechanism of taking a blood sample.
- different types of human blood analysis, examination, and mechanism of these examinations.
- Types of instruments used in blood analysis, examination, and mechanism of using them.

EXTRACURRICULAR ACTIVITIES

Resala Charity in Benha

Benha, Qalyubia

Ramadan Kawafels
